A rally was held at Marquette Park, Chicago, on August 21, 1966, conducted by the NSRP. The rally was in protest of the civil rights demonstrations by MARTIN LUTHER KING, Jr. in Chicago. Among those in attendance was [redacted]. Three unknown men wearing robes of the Ku Klux Klan were also present at this rally.

(CG T-1, 8/21/66)

At a meeting of the Chicago Branch of the NSRP, held in Chicago on September 7, 1966, it was learned that [redacted] on occasion, uses the fictitious name of [redacted]

(CG T-1, 9/8/66)

A meeting of the Chicago Branch of the NSRP held in Chicago on July 27, 1966 included [redacted] who spoke at this meeting concerning the current civil rights marches in Chicago by groups led and organized by MARTIN LUTHER KING. He stated that the NSRP should continue to distribute their anti-Negro and anti-Jewish literature in the areas of these marches because in this way the NSRP will be able to make the white people understand that integration is a real threat to them. He also mentioned that the Jewish people many times are the real enemies of the white communities because they are known to be for integration and many times supply great financial support.

b6  
b7C

(CG T-1, 7/29/66)

CG 157-973

[redacted] voluntarily appeared at the Chicago Office of the Federal Bureau of Investigation (FBI) on July 25, 1966. He stated that he was the Vice-Chairman of the NSRP and has been an official member of the NSRP since March, 1966, although he has been active in NSRP affairs for about a year and a half. He exhibited a NSRP membership card number [redacted] expiration date March 31, 1967, signed by [redacted] National Secretary. He further stated that the Chicago Branch of the NSRP holds official meetings every other Wednesday night at 2237 North Western Avenue, Chicago, Illinois. These meetings are open to anyone interested in joining the party and contributions are solicited from all [redacted] as the party is having severe financial problems. [redacted] further advised that he felt the NSRP is being harassed by local authorities because NSRP members are arrested when they pass out NSRP literature at demonstrations of civil rights groups in Chicago. He said the NSRP is against integration and said that they plan to continue distributing literature at demonstrations of civil rights groups in Chicago.

b6  
b7C

On August 4, 1966, [redacted] was interviewed at the headquarters of the Chicago Branch of the NSRP, 2237 North Western Avenue, Chicago, by two agents of the FBI at which time [redacted] advised that the NSRP in Chicago is not attempting to have citizens arm themselves, although several NSRP members have personal weapons for their own personal use and personal protection. The NSRP has not purchased any guns and maintains that riots being caused by Negroes must be stopped and this lawlessness must be stopped by having white people unite to have their rights protected and to have Negro agitators prosecuted whenever they violate laws. [redacted] at this time was hostile and extremely sarcastic during the interview and it was quite obvious that he would not be completely truthful in all of his statements.

b6  
b7C

On September 23, 1966, Sergeant [redacted] Intelligence Unit, Chicago Police Department, advised that [redacted] who is associated with activities of the

A characterization of the NSRP, local and national, will be found in the appendix section of this report.

The National Convention of the NSRP was held on August 27, 1966, at Dayton, Ohio. It was closed to the public and admittance was given only to persons with invitations or otherwise known to NSRP officials. The convention did not have any agenda nor seemed to have a program or purpose. It consisted only of individuals, one of whom was [redacted] speaking to the group. The talks were all substantially the same in that they praised the NSRP and its fight to protect the white man.

[redacted] and the other speakers condemned the Administration and the FBI, and said that the Jew and "Communist controlled" Administration and FBI were selling out the white people to the Negroes; the time had come to stand up for the rights of the white man; for the white man to protect themselves and their rights and if violence was necessary to do so it should be used.

(CG T-2, 8/28/66)

On September 14, 1966, the Chicago Branch of the NSRP, held in Chicago, was attended by [redacted]. [redacted] spoke at this meeting saying that the NSRP must continue to work harder to stop integration in Chicago and the only way this could be accomplished was to unite white people into some sort of group like the NSRP.

b6  
b7C

(CG T-1, 9/15/66)

b6  
b7C

On April 5, 1967, Detective [redacted] Baltimore County Police Bureau, made available a report dated April 3, 1967, regarding a meeting of the NSRP held on March 31, 1967, in a hall in the 5400 block of BelAir Road, Baltimore, Maryland. This was a meeting at which the guest speaker was [redacted] former national head of the Minutemen, a characterization of which appears hereto in the Appendix. The purpose of the meeting was to set up an affiliation of the Patriotic Party which is the political arm of the Minutemen.

On February 19, 1967, Detective [redacted] Inspectional Services, Baltimore, Maryland Police Department, advised that 11 persons representing the NSRP picketed the home of State Senator JOSEPH CURRAN, 1415 Limit Avenue, Baltimore, Maryland, on that date. The group was led by [redacted]  
[redacted]

On March 25, 1967, Officer [redacted] Inspectional Services, Baltimore Police Department, advised that [redacted] had notified that department that he was planning to picket the New Era Book Shop, 408 Park Avenue, Baltimore, Maryland, a characterization of which appears hereto in the Appendix, at 1:00 PM on March 25, 1967.

[redacted] is the self-proclaimed leader of the Fighting American Nationalists (FAN), a characterization of which appears in the Appendix hereto.

On April 7, 1967, Officer [redacted] Baltimore Police Department, advised that the NSRP had notified that department that they would picket Leone's Bar, 620 East Fort Avenue, Baltimore, Maryland, at 2:45 PM, April 8, 1967.

b6  
b7C

SV 157-871

At approximately 1:45 PM on April 8, 1967, members of the NSRP appeared in the vicinity of 620 Fort Avenue, Baltimore, Maryland, but [ ] announced that the picketing by the NSRP would take place at the home of DOMINICK LEONE, 1517 Jackson Street, Baltimore, Maryland, rather than at Leone's Bar, beginning about 2:00 PM. Approximately eight persons picketed the residence of City Councilman DOMINICK LEONE. According to Officer [ ] this demonstration quickly drew a crowd of approximately 250 people who for the most part were residents in the area. There was a considerable amount of heckling of the pickets and some heated verbal exchanges were made between the pickets and other individuals in the crowd. The demonstration ended at approximately 2:55 PM.

b6  
b7C

Officer [ ] stated that at the end of this demonstration, [ ] invited members of the crowd to accompany the NSRP demonstrators to the War Memorial Plaza where they claimed "communists" were demonstrating. The demonstrators and some people from the crowd proceeded to the War Memorial Plaza located across the street from the Baltimore City Hall and some of the first arrivals attempted to march through a group of persons who were listening to the speeches opposing the U. S. policy in Vietnam. The Baltimore police prevented this activity but permitted the NSRP group to set up a picket line on the pavement in front of the Baltimore City Hall. For approximately 10 minutes the group picketed during which time they heckled the anti-Vietnam speakers from across the street. After approximately 10 minutes, the NSRP group put away their flags and signs and infiltrated the crowd who were listening to the anti-Vietnam speakers. By using this tactic the NSRP members were able to heckle more effectively resulting in some heated verbal exchanges. At one point [ ] mounted a small wall beside one of the anti-Vietnam speakers and insisted on his right to be heard. Following this the activity degenerated into name calling and at the suggestion of the police that both groups disperse, they did so and no arrests were made in connection with this demonstration.

b6  
b7C

On April 15, 1967, Chief of Police WILLIAM H. WILKINSON, Easton, Maryland, advised that he received a letter from [ ] an official of the National States Rights Party, on April 20, 1967, reflecting that the NSRP was planning to come

SV 157-871

to Easton, Maryland, on May 12 and 13, 1967, to hold a rally on the steps of the Courthouse. Chief WILKINSON stated that a meeting was planned by the city officials and the police to determine what steps to take in this regard. He advised that they would probably petition the Circuit Court of Talbot County for an injunction against the proposed rally.

On May 5, 1967, Chief of Police WILLIAM H. WILKINSON, Easton, Maryland, advised that during the previous week the city of Easton passed an ordinance prohibiting any public gatherings, rallies, or parades without a permit from the city. The ordinance forbids issuing a permit to individuals or groups whose purpose is to incite to riot or whose gatherings may tend to create a disturbance or incite to riot. Chief WILKINSON stated that he forwarded a letter to the NSRP advising that a permit would not be issued to them to hold a rally in Easton on May 12 and 13, 1967. He stated that he has not received an answer from the NSRP in response to his letter.

On May 25, 1967, Officer [redacted] Intelligence Unit, Baltimore County Police Bureau, Towson, Maryland, advised that he had received information indicating that the NSRP would hold a meeting on BelAir Road in Baltimore on June 9, 1967, and would hold a rally in Dundalk, Maryland, on June 10, 1967. He advised that his information indicated that JESSE BENJAMIN STONER would be one of the speakers at the rally on June 10, 1967. Officer [redacted] advised that the NSRP was refused permission to hold any out-door rally in Baltimore County, Maryland.

b6  
b7C

On May 25, 1967, Chief of Police WILLIAM H. WILKINSON, Easton, Maryland, advised that he had received an answer to his letter from the NSRP. The NSRP forwarded a letter to the Easton City Council protesting the oppressive action of the Easton Police in not allowing them to hold their rally there on May 12 and 13, 1967. The letter stated that this was a formal appeal to the City Council to overrule the action of the Chief of Police.

On May 15, 1967, the City Council met and turned down the appeal of the NSRP and so advised them by letter. No further word has been heard from the NSRP in this regard.

SV 157-871

On June 9, 1967, U. S. District Court, Maryland, ruled unconstitutional the provision of the Baltimore County ordinance under which the Chief of Police banned the public NSRP open-air rally to be held on June 10, 1967. Baltimore County Park Board has refused the NSRP the use of public parks near the business area of Dundalk but will permit the NSRP the use of Merritt Point Park, a larger and more isolated area where Baltimore County police feel that any eruption of violence could be better controlled.

NORTH CAROLINA ACTIVITIES

On February 6, 1967, SV T-13 reported that [redacted], North Carolina Chairman of Unit 12, NSRP, held an organizational meeting of the National Knights of the Ku Klux Klan (NKKKK), a characterization of which is attached hereto in the Appendix, at [redacted] residence in Durham, North Carolina, on February 5, 1967.

On February 1, 1967, Officer [redacted] Durham, North Carolina Police Department, advised that a weekly vigil for peace in Vietnam occurred on Wednesday, February 1, 1967, from noon to 1:00 PM at the Main Post Office. [redacted] stated that [redacted] leader of the Durham Chapter of the NSRP, and a young woman counter-demonstrated across the street.

b6  
b7C

On February 8, 1967, Captain [redacted] Durham, North Carolina Police Department, advised [redacted] and two women counter-demonstrated across the street during a vigil for peace in Vietnam at the Durham Post Office between noon and 1:00 PM.

SV 157-871

On February 15, 1967, Captain [redacted] advised that [redacted] again appeared in a counter-demonstration along with two other men and two women against the weekly vigil for peace in Vietnam at the Durham Post Office from noon to 1:00 PM on February 15, 1967.

b6  
b7C

On February 22, 1967, Captain [redacted] reported that [redacted] again appeared with four sympathizers at the Durham, North Carolina, Post Office during the same period of time.

On March 1, 1967, Captain [redacted] advised that three young ladies and one young man approximately 20 years old openly solicited membership in the NSRP while carrying signs in the counter-demonstration held between noon and 1:00 PM at the Durham Post Office on that date.

On March 8, 1967, March 15, 1967 and March 22, 1967, Captain [redacted] advised of counter-demonstrations against the vigil for peace in Vietnam held at the Durham Post Office from noon to 1:00 PM on those dates.

On March 2, 1967, SV T-14 identified [redacted] and [redacted] along with [redacted] as counter-demonstrators at the vigil for peace in Vietnam at Durham during the past month.

#### OHIO ACTIVITIES

On May 3, 1967, SV T-15 advised that the Dayton Chapter of the NSRP continues to maintain its headquarters at 224 Oak Street, Dayton, Ohio, where the NSRP utilizes the street floor area and which is owned by Mrs. [redacted] member of the Dayton Chapter of the NSRP.

b6  
b7C

On April 19, 1967, SV T-15 advised that Dr. EDWARD R. FIELDS appeared at the Dayton, Ohio Chapter meeting on April 16, 1967. SV T-15 stated that FIELDS spoke to the group regarding the preservation of the white race to about 25 people. FIELDS also emphasized the additional activity on the part of the NSRP members to work for and back former Alabama Governor GEORGE WALLACE for the presidential election to be held in the fall of 1968.

SV 157-871

SV T-16 advised on April 20, 1967, that Dr. FIELDS spoke to a group of approximately 30 people at the NSRP gathering held at Middletown, Ohio, on April 16, 1967. FIELDS' talk pertained to the need for additional efforts on the part of NSRP members to support and campaign for former Alabama Governor GEORGE WALLACE.

On May 16, 1967, SV T-15 advised that the regular meeting of the Dayton Chapter of the NSRP was held on May 14, 1967, at its headquarters located at 224 Oak Street, Dayton. [redacted] the National Organizer of the NSRP, conducted the meeting and expressed his disappointment over the small number of people attending.

On June 2, 1967, SV T-15 reported that on May 28, 1967, the regular meeting of the Dayton Chapter of the NSRP was held at its headquarters. [redacted] National Organizer of the NSRP, conducted the meeting and claimed he was discouraged at the small turnout. He also mentioned the fact that the meeting would be short since he and his family were leaving for Tennessee.

b6  
b7C

On March 19, 1967, SV T-17 stated that he had received an announcement through the mail on March 15, 1967, to the effect that the NSRP was holding a meeting of white people on March 18, 1967, at the North Italian Club, Inc., 3121 West 33rd Street in Cleveland, Ohio. The announcement stated that [redacted] National Organizer for the NSRP, and [redacted] the NSRP Chairman in Cleveland, would be the speakers.

SV T-17 advised that approximately 15 individuals appeared at which [redacted] gave his speech on the preservation of the white race.

On April 10, 1967, SV T-18 stated that [redacted] had made statements that the prospects for establishing an NSRP unit in Cleveland appeared very poor although he indicated he would continue to represent the NSRP locally.

On April 18, 1967, SV T-18 advised that he had learned that [redacted] was appearing that evening on the Alan Douglas Show which is heard over Radio Station WKYC. He also stated Dr. EDWARD R. FIELDS, Information Director of the NSRP, was to have appeared on the program but at the

b6  
b7C

SV 157-871

last minute cancelled his appearance. [redacted] who was described to be an NSRP official from Chicago, was to take the place of EDWARD R. FIELDS.

b6  
b7C

SV T-18 advised that the Alan Douglas Show is a panel-type discussion program which presents controversial type programs in which ALAN DOUGLAS acts as moderator and usually has two or three experts from a particular field expound on the controversial subject with another group of one or two individuals holding the opposite view. SV T-18 advised the Alan Douglas Show was heard at 11:05 PM, April 18, 1967, over WKYC. CHARLES O. FARRIS was introduced as the chairman of Chapter 49, NSRP, in Cleveland and MARTIN BARRETT was introduced as the midwest coordinator of the NSRP in Chicago. A Mr. NELSON LUCKEY (phonetic) was a third person who was introduced as a member of Chapter 49. During the early portion of the program FARRIS was asked to give an estimate of the membership of the NSRP as well as their names, to which FARRIS replied he was not permitted to give the number of members nationally or locally. Following these remarks by FARRIS, the platform of the NSRP was given by DOUGLAS with comments from FARRIS on each particular item. FARRIS and BARRETT continually pointed out during the program that the NSRP is not radical in nature nor does it advocate violence. Both of them maintained they did not consider violence as a solution to the Negro problem. SV T-18 noted that NELSON LUCKEY, the third member of the NSRP panel, did not participate actively and it appeared he was not well versed in the subject matter.

Following the panel discussion, the program was thrown open to telephone calls and telegrams from the listening public. None of the callers or the writers were favorably impressed by the appearance of the NSRP or what it advocated but the majority of them openly indicated that members of the NSRP were plainly "ignorant as well as un-American". SV T-18 advised that in his opinion the selection of the three NSRP members was very poor and their appearance did more to harm the NSRP movement than it did to help their program. From the sampling of the numerous individuals who called or sent telegrams to the program, there is very little interest indicated in the NSRP movement.

SV 157-871

TEXAS ACTIVITIES

On March 27, 1967, SV T-19 advised that at a meeting of the American Nazi Party, a characterization of which appears in the Appendix hereto, which was held in Dallas on February 20, 1967, it was announced that the American Nazi Party and the NSRP were "merging".

WASHINGTON ACTIVITIES

SV T-20 advised on March 17, 1967, that no chapter of the NSRP had ever been established in Seattle although the northwest coordinator of the NSRP, [redacted] and various national officers of the NSRP had sponsored the gatherings held in this regard. SV T-20 claimed the only actual chapter of the NSRP ever formed in Washington to his knowledge is the one at Spokane.

b6  
b7C

SV T-21 advised on March 8, 1967, that [redacted] still held the position of the northwest coordinator of the NSRP but explained that the party was completely inactive. SV T-21 advised that the Spokane Chapter of the NSRP had no formal office or headquarters and had no official publication although the members receive "The Thunderbolt".

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,  
ALSO KNOWN AS THE AMERICAN NAZI PARTY, ETC.

On August 19, 1966, the source advised that GEORGE LINCOLN ROCKWELL presently believes that he has completed the first two phases in his struggle for power and is well into the third stage, to wit, "the organizing of the people who have been converted to our propaganda." The source added that ROCKWELL had previously believed that he would be elected Governor of Virginia in November, 1965, and when defeated, he made the statement that he was not ready for stage four.

On December 27, 1966, the source advised that ROCKWELL mailed a communication to all members of the ANP entitled, "National Directive from the Commander, Effective 1/1/67". This communication reflected that the formal name of the Party would be "National Socialist White People's Party" and they would still be known as the "American Nazi Party" and "American Nazis" for short.

FIGHTING AMERICAN NATIONALISTS  
BALTIMORE, MARYLAND

On October 8, 1963, [redacted], former self-admitted Director of the Fighting American Nationalists (FAN), Baltimore group, advised Special Agents of the Federal Bureau of Investigation that the Baltimore group of FAN was first organized in the spring of 1961. He advised there is no official connection with the American Nazi Party (ANP), but that until December, 1962, his group in Baltimore had received all of their literature from the Rockwell group.

He further advised the Baltimore FAN group is composed of individuals who are in sympathy with the purposes and aims of the ANP and that the group was organized to teach and educate members along the FAN line.

He advised the group has no official headquarters but usually meets at 611 Cathedral Street, Baltimore, and uses Post Office Box 103, Baltimore, as a return address.

He also advised that the activities of the group are directed by [redacted], Glen Burnie, Maryland, the only current officer. He continued that [redacted] was the former Public Relations man for FAN when he was the Director.

On October 11, 1963, a confidential source advised that FAN, Baltimore group, was entirely separate and not a part of the ANP.

On April 27, 1964, a second source advised [redacted] has more or less abandoned the FAN organization in Maryland although there has been no formal breakup. The source continued that [redacted] has become more and more interested in the White Party of America (WPA).

On May 15, 1964, [redacted] self-admitted leader of the WPA, advised at a WPA meeting held at the Lithuanian Hall, Baltimore, Maryland, that [redacted] former head of FAN in Baltimore, Maryland, is now the leader of the WPA in Baltimore and that FAN is now defunct in Maryland.

NATIONAL STATES RIGHTS PARTY  
(NSRP)

The July 1967 issue, number 91, of "The Thunderbolt", self-described as the "official White Racial organ of the National States Rights Party" (NSRP), a characterization of which appears in the Appendix, contains numerous articles regarding the Israeli attack on the USS LIBERTY on June 8, 1967, in which 34 members of the U. S. Navy were killed and 75 wounded. In one of the articles captioned, "Jews Desperate to Cover Up USS Liberty Attack", the publication states, "We demand aid and support to the Arab people in their fight for freedom and liberation of lands taken by the Jew aggressors." The article continues that support of the stand can be manifested through distribution of extra copies of "The Thunderbolt" and joining the National States Rights Party (NSRP).

Page 7 reflects an article captioned, "Communists Say 'Outlaw Anti-Semitism'", in which information is set forth regarding the State of New York revising its State Constitution for which a convention has been called. The revision of the State Constitution concerns any incitement to racism or Anti-Semitism to be considered a crime punishable by law. This revision has gained the support of the New York Communist Party of which Gil Green is State Chairman. The article continues by stating that the "U. S. Reds" also urged that students be given full "participation in all policy making decisions of State Colleges and Universities and also called for the banning of ROTC military training on college campuses.

is giving its main attention to Cleveland and will bring in outside help from all over the Nation to assist its Cleveland members to counter demonstrate against the black mobs successfully. It continues by stating the "NSRP will not let the black savages coerce Cleveland into surrendering." The article claims that Charles O. Farris, described as the NSRP Chapter Leader, has prepared the rally grounds and the whites will march through Cleveland to let the officials and the businessmen of Cleveland be aware that there will be no surrender of white rights to "Lucifer King and his black mobs". The article claims that Connie Lynch will be in Cleveland arousing the whites to defend their rights by the time this issue of "The Thunderbolt" is received and that shortly after July 4 Doctor Edward R. Fields, National Director, and R. D. Eldridge, the National Organizer, and J. B. Stoner will be in Cleveland to help lead the struggle for the white rights. Further on in the article the NSRP "has called for supporters from throughout America to head for Cleveland to back up the party leadership and defense of white people of Cleveland. Those who are not tied down with jobs are expected to arrive in sufficient numbers to more than counter balance the Negro demonstrators. Whites have a Constitutional right to peacefully counter demonstrate for their rights and that is exactly what the NSRP is now going to do in Cleveland. All whites who can go to Cleveland to support the NSRP's 'white power' demonstration should immediately notify the National Headquarters of the party at Post Office Box 6263, Savannah, Georgia. When they arrive in Cleveland they should immediately contact Mr. Charles O. Farris by phoning him at 961-8963."

Further on in the article it states "at first the blacks thought it would be easy for them to take Cleveland. Now that the NSRP has accepted their challenge and moved to block their evil and diabolical plans, the Negroes are doomed to defeat and another white victory is expected. The NSRP is one organization that knows how to stop the black savages."

Page 8 of this issue of "The Thunderbolt" is captioned, "Federal Courts Go Berserk", which contains a series of articles regarding the decisions of the Federal Courts in regard to the Welfare Residency Law, forced bussing in integrated areas, mixed marriage rulings and race mixing.

Page 9 announces the National Convention of the NSRP for 1967 to be held in Jacksonville, Florida, August 25, 26 and 27, 1967 at the Carpenters Hall, 920 Main Street, with the NSRP National Committee meeting being held 8:00 PM August 25 in the Hall. This announcement has named the host as "local NSRP Leader GENE WILSON".

NATIONAL STATES RIGHTS PARTY  
(NSRP)

Page 9 also contains article captioned, "FBI Harasses New Mexico Police in Fantastic Case". This article deals with the recent Mexican uprising in the State of New Mexico, part of which consisted of an armed attack upon the County Courthouse to release Mexican prisoners. It claims that the New Mexico National Guard supported by tanks and State Police moved out to capture the Mexicans whose arrest was subsequently effected. The article continued by stating that the Justice Department had ordered the FBI to determine whether or not the rights of the Mexicans were violated when their homes were searched without warrants.

Page 10 has an advertisement regarding "White Power License Plates" consisting of "The Thunderbolt" flag, which are available through Eddie S. Corley, Chairman, Greensboro NSRP, P. O. Box 11125, Greensboro, North Carolina, for \$1.25 each.

Page 10 also contains an article captioned "Negro Brainwashes at FBI Academy". This article reflects that State and City Police Departments sent promising police officers to the FBI National Academy for special training and that President Johnson had sent one of his appointments, James B. Parsons, a Negro Federal Judge from Chicago, to lecture to the June 7 graduates of the Academy. In the lecture Judge Parsons claimed that "minority groups deserve special attention and protection". The article continued by quoting the Judge as stating that a personally prejudice police officer "makes the Government the peoples enemy" and that "such a policeman makes governing a universal irritant." The last paragraph of this article asserts "if local police officers are going to have to sit through such insulting brotherhood propaganda talks at the FBI Academy, the time has come for local citizens to request that their City fathers cease using such FBI training--it is not needed."

Page 12 has an article captioned "Blacks Want White Jobs", which pertains to 24 Negroes who have gone into the U. S. District Court in South Carolina in an effort to force Campbell Soup Company's frozen food plant at Sumpter to hire unqualified Negroes in place of qualified whites.

Page 12 also contains an article in which Philip Bobbitt, identified as the 18-year-old nephew of President Lyndon Johnson, refused to cooperate with the police when he returned from his Austin, Texas home where he had been recovering from a severe beating given him near the Volunteers in Service to America (VISTA) in a predominately black area of Venice, California.

**NATIONAL STATES RIGHTS PARTY  
(NSRP)**

The article claimed that Bobbitt did not name the race of his assailants nor would he assist the Los Angeles Police Department in viewing possible suspects. Bobbitt, the son of Mrs. Becky Bobbitt, identified as President Johnson's younger sister, claimed that his attackers thought him to be a white stranger in their area.

RE: NATIONAL STATES RIGHTS PARTY -  
SPEAKING ENGAGEMENT OF CONNIE  
LYNCH IN DAYTON, OHIO, AND  
MIDDLETON, OHIO  
JULY 16, 1967

Information from a confidential source received on July 19, 1967, revealed that Connie Lynch, a well-known racist and rabble-rouser for the National States Rights Party (NSRP), spoke to the Dayton, Ohio Chapter of the NSRP on July 16, 1967. The meeting was held at its headquarters, 224 Oak Street, Dayton, Ohio, and started at 2:00 P.M.

According to the information from the confidential source, R. D. Eldridge, National Organizer of the NSRP, and the leader of the Dayton, Ohio, Chapter, introduced Lynch. He spoke on the same theme he has always utilized, that of hate of the Negro. He spoke out against race mixing and was emphatic in his stand that the white man is superior and will rule over them.

He referred to the "niggers" as rattle snakes. He said that they are dirty, nothing but filthy, and low class.

He said that the white man has given them what they have and they are not appreciative but want even more. Lynch stated that the white people should not hire the Negroes, pointing out that nobody has to hire them.

Lynch claimed that the NSRP activity in Cleveland, Ohio, had chased Martin Luther King away from there. He said he would continue to speak out against the "niggers". He said even if they arrest him he would continue to standup and say what he thinks.

He called the Federal Bureau of Investigation a bunch of idiots and "nigger babysitters".

The confidential source stated that the group to which he spoke in Dayton consisted of about twenty people.

Informant's report is set forth below:

"Dayton, Ohio  
July 10, 1967

On July 9, 1967, the regular meeting of the Dayton Ohio Chapter of the National States Rights Party was held at 224 Oak Street, Dayton, Ohio.

R.D. Eldridge conducted the meeting and repeated most of the same statements he has said many times. He used the Bible as proof that the Jews were not God's chosen people. The Jews are continuing to take over the U.S., which is part and parcel of the Communist plot. He said Johnson is part of the plot and his administration has hired nothing but "niggers" and Jews.

He spoke further repeating what the NSRP has stated before that the Isreal-Arab war was part of the Communist plot also.

Eldridge pointed out that the NSRP passed out leaflets in Cleveland, Ohio area during the 4th of July week end encouraging the white man to unite to save the race and come to rallies to be held at the North Italian Club, West 33rd Street Cleveland, Ohio on July 6, -9, 1967. Connie Lynch was to speak at these rallies.

Eldridge said because of the NSRP activity in Cleveland, Martin "Looter" King had decided not to hold any rallies, etc. in Cleveland.

He announced that Connie Lynch is scheduled to speak to Dayton Chapter Sunday, July 16, 1967 at 2:00 PM, and will talk in Middletown, Ohio at 8:00 PM. Eldridge said Lynch may go Indiana to speak after Dayton, and he will probably go to Chicago after that.

**NATIONAL STATES RIGHTS PARTY  
CHICAGO, ILLINOIS**

A source advised on February 8, 1966, that the Chicago branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

The above source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago branch of the NSRP subscribes to the policies of the National Office of the NSRP. The Chicago branch of the NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

A second source advised on January 17, 1967, the Chicago branch of the NSRP was bankrupt and unable to pay rent for premises at 2237 North Western Avenue, Chicago. This source advised on March 3, 1967, Chicago branch NSRP vacated premises at 2237 North Western Avenue and ceased to function as an organization on March 1, 1967. On March 1, 1967, according to source, members agreed to remain in contact with each other until such time as they could reorganize NSRP at Chicago.

On July 12, 1967, second source advised NSRP does not have a headquarters at Chicago, however, members have maintained contact with each other and plan to reactivate group if civil rights demonstrations commence in Chicago.

NATIONAL STATES RIGHTS PARTY  
(NSRP)

The August, 1967, issue, numbered 92, of "The Thunderbolt", self-described as "the official white racial organ of the National States Rights Party" (NSRP), a characterization of which appears in the Appendix, contains on page 3 a request for contributions to be sent to the Jordan Red Crescent, care of the Palestine-Arab Delegation, 441 Lexington Avenue, Suite 509, New York City, New York. This article describes the Jordan Red Crescent as "same as American Red Cross".

Page 9 contains a full page article announcing that one of the convention guest speakers at the National Convention of the NSRP to be held in Jacksonville, Florida, on August 25, 26 and 27, 1967, will be Dr. Gabriel Bartarseh, who is described as a native of Bethlehem and having been born in Palestine. The article disclosed that he had received his Bachelor of Arts degree at the College of Lebanon and received his Masters and Doctors degrees at the University of South Carolina. He is further described as a practicing Physicologist. He is described as a Christian, the father of two children, a girl two years of age and a boy seven months and a member of the American Psychological Association, the American Education Research Association, and the American Council on Measurement and Education. The article continued by stating that Dr. Bartarseh's

articles on Jewish aggression in Palestine have appeared in the newspapers and that he has been in direct contact with Arab people in both America and Palestine. He is scheduled to speak at the National Convention at 4:00 p.m., on August 26, 1967.

The article further states that on August 25, 1967, on Friday night, there will be a meeting of the Party's National Committee and Open House for all who will attend the convention. The convention itself will begin at 1:00 p.m. in Carpenter's Hall, 920 Main Street, Jacksonville, on Saturday, August 26, 1967, and continue on into the evening. On Sunday afternoon, August 27, 1967, a meeting of the Party's National Executive Committee is planned. The article states that W. E. "Gene" Wilson, NSRP, Duval County Director, is in charge of arrangements.

The purpose of the convention, according to the article, will be especially concerned with what can be done to stop the Communist Revolution that is now under way in the United States. It will also be concerned with taking measures to "stop the Jews from dragging us into a war in the Middle East". It will also deal with the constitutional right to bear arms. It will also deal with solving the problem of what to do when "politicians like Governor Romney of Michigan refuse to do their duty, refuse to uphold the law and allow lawless black beasts to burn down cities". The article continues by stating that "one of the best ways to stop the Communist Revolution is to stop race mixing and the black mobs and repudiate every politician who sides with the black savages against his own people". The speakers for the convention that are mentioned in the article include Ned Dupes, Connie Lynch, Dr. Gabriel Bartarseh, Kenneth Adams, Gene Wilson, R. D. Eldridge, Allen O. Kern, Mike Landis, Richard Norton, Roy Wake, Joe Carroll, Thomas Ross, Marvis Brown, Newman Britton, C. Glenn Ferrell, Eddie Corley and Mike Cameron. The article states that most Party officers will be staying at the Ed Verano Motor Court Motel, 2515 Phillips Highway, Jacksonville, which is the same as 2415 U. S. Highway #1 South.

RACIAL MATTER (ORGANIZATION)

A source, who has furnished reliable information in the past, advised on August 28, 1967, that the National Convention of the National States Rights Party (NSRP) was held on August 26, 1967, at 920 Main Street, Jacksonville, Florida. The convention was in session from 1 p.m. to 5 p.m. and from 7 p.m. to 10 p.m., on August 26, 1967. Approximately 125 persons were in attendance including the following:

[redacted] NSRP  
Organizer from Jacksonville,  
Florida.

Station WCKT, Channel 7 of Miami, Florida, had sound equipment at the convention.

Ned Dupes was in charge of the convention.

Connie Lynch spoke and called for continued opposition to integration in the United States. Many Federal officials in the United States are committed to integration and allow Negroes to participate in riots and do nothing to stop them. The white people must organize to stop the Federal Government from continuing to support the Negroes in this country against the white people. Referring to these Federal officials, Lynch stated that when the NSRP takes power, they will "hang them all from the Presidency down through Congress. Their heads will be on poles from coast to coast and from border to border." The white people must arm themselves so that they are in a position to protect themselves and their families from the Negroes.

Lynch stated that Negroes should be completely eliminated from our society because they are against law and order and are a threat to the welfare of the white race. He is working for the day when the only Negroes that are seen will be those that are stuffed and are in museums. The white people are on a divine frequency and the colored people cannot get tuned in on this frequency and therefore, they are attempting to destroy the white society. The white people all over the world should unite to oppose the black race or else the black race will continue to terrorize the white people. The Negroes should be exterminated by the 1970's for the welfare of this country.

NSRP

Lynch stated that the Jewish communists are behind the movement to have integration in the United States in order that there will be a revolution and then these Jewish communists can take over this country. The Jewish slave traders were the ones that originally brought the Negroes to this country in order to serve their own selfish purposes.

J. B. Stoner spoke and stated that the NSRP should realize that the Federal Bureau of Investigation (FBI) is attempting to destroy the NSRP. NSRP members should not talk to the FBI or aid the FBI in any way whatsoever. If the FBI attempts to talk to NSRP members, they should "throw them off your property." The Federal Government has been responsible for causing and furthering integration and the Government must be resisted in their efforts to have integration against the wishes of the white people. In regard to the anti-riot bill in Congress which will make it a Federal crime to cross state lines to participate in a riot, the NSRP will not support this bill because it is designed to destroy organizations like the NSRP and will not affect persons like Stokely Carmichael and H. Rap Brown, who are responsible for causing riots and destruction in the United States. People like Connie Lynch will, therefore, not support a bill like this because they realize the true purpose of the bill. The Federal Government wants to destroy organizations like the Ku Klux Klan and the NSRP and this has been proven because the FBI has already broken up the Ku Klux Klan. The Jews are responsible for financing the Civil Rights Movement in the United States and people now talk about 6,000,000 Jews being killed in Germany by Goebbels, but the NSRP will make Goebbels look like a Sunday School teacher.

Doctor Edward R. Fields spoke and stated that all NSRP members and white people should keep their guns in order to protect themselves. Eventually it may be necessary to use these guns to protect ourselves against Negro mobs. The Federal Government is attempting to outlaw the possession of guns so that there will be no opposition to the communist revolution and the Negro mobs in this country. In Newark and Detroit it has been proven that police cannot protect the white people from the Negro mobs. All of the Negroes in this country should be deported for the welfare of the white people.

NSRP

Fields called for the NSRP to organize more people to fight against integration and stated that the NSRP must increase their membership in the Northern areas. The NSRP should also take a more active interest in political campaigns. W. E. "Gene" Wilson in the last Congressional election in Florida ran a strong third and more candidates of this type should be running throughout the country. The NSRP does not plan to run a candidate in the coming Presidential election but the NSRP should campaign for various local political candidates. They should also ascertain whether George Wallace of Alabama will accept their help.

Neuman Britton spoke and in referring to the Negroes in the United States, stated that they should work to "deport these apes to Africa." The Negroes should be removed from our society and cut out of our society like a cancer. The Negroes have caused riots and vast destruction in areas like Newark and Detroit and are, therefore, not capable of living in a civilized society. Local authorities and officials in Washington will not do anything to stop these riots and, therefore, the NSRP must increase their efforts to show the Negroes that the white people will not continue to tolerate riots and insurrection on their part. He quoted excerpts from the Bible and stated that the Jews are anti-Christ. The Jews are financing the Civil Rights program in the United States and are responsible for the increase in race mixing. The white people must arm themselves in order to be able to resist the Negro looters and to be able to protect themselves because many times local and Federal authorities will not be able to protect the white people from the Negroes. The NSRP should continue to oppose all forms of integration and not allow our society to be destroyed by the Negroes and Jews. The Negroes and Jews should be completely eliminated from our society and the white people should have control of everything that takes place in this country.

NSRP

[redacted] spoke and stated that all NSRP members must work harder to oppose integration to make the white people realize that the Negroes are a threat to organized society and the white people. Members of the NSRP must become revolutionary and be willing to fight and die in the streets if necessary in order to preserve law and order. The NSRP must decide whether they are going to "quit and go home or go to the streets, possibly with guns, to show the Negroes that the white people will resist the Negro mobs." Whenever white people have resisted the Negroes, the demonstrations and riots by the Negroes have stopped. They must do more work on college campuses in this country in order to make the younger people realize that they must oppose the Negroes. Members of the NSRP should not register their guns because they need them for protection and everyone has a Constitutional right to have a gun to protect themselves. Revolution may be the only way to win against the forces of integration and Negroes should be completely eliminated from American society if law and order is to be preserved.

b6  
b7C

[redacted] spoke and called for the NSRP to work harder in order to have the Negroes and Jews eliminated from all aspects of American Society. The Bible contains a divivine prophecy that the Jews and Negroes are unacceptable. NSRP members are commanded by the Bible to get rid of all the Jews and Negroes from this country.

[redacted] spoke concerning the necessity of having better organization within the NSRP so that they can influence more people in opposing integration at every level. They must organize more chapters of the NSRP and whenever these chapters become too large they can break them down into smaller chapters for security purposes. He will help anyone organize new chapters of the NSRP. They should also

NSRP

'utilize "The Thunderbolt" in organizing white people to fight against Negroes and persons who support the Negroes because this publication explains the dangers to white people if they do not do something to protect themselves against the Negroes and Jews.

"The Thunderbolt" is self-described as the official organ of the NSRP.

b6  
b7C

[redacted] spoke concerning the United Nations (UN) and stated the United States should get out of the UN because it takes away the sovereignty of the United States and will eventually destroy the United States. The UN was illegally formed to begin with and Alger Hiss, a communist, was one of the persons who helped create the UN. The UN is a conspiracy to weaken the United States so that it can be eventually destroyed. The NSRP should work to have the United States withdraw from the UN and this should be done immediately on a state level in order to bring pressure to bear on the Federal Government.

No committees were set up at this convention and no specific plans or strategy was formulated by the NSRP for the coming year. During the convention, \$250 was collected from those present and given to Connie Lynch for his expenses in connection with giving speeches for the NSRP.

NATIONAL STATES RIGHTS PARTY (NSRP)

Source one, who has furnished reliable information in the past, on August 28, 1967, advised that the National States Rights Party (NSRP), held its annual convention in Jacksonville, Florida, on August 25 and 26, 1967. Source stated that on August 25, 1967, there was a meeting held at the Carpenter's Hall, 920 Main Street, Jacksonville, Florida, which lasted from 7:30 PM until 10:15 PM. W. Eugene (Gene) Wilson, Jacksonville, Florida, NSRP Organizer, and host for the convention, welcomed the delegates to Jacksonville, and then presented [redacted] Party Organizer, from Dayton, Ohio. [redacted] gave a speech on the organization of the NSRP throughout the North and South, and about its effectiveness in stopping riots in Cleveland, Ohio.

The next speaker was Neuman R. Britton of California. Britton spoke about the problems they have with the local law enforcement officers who try to break up their meetings and rallies, and about the new awakening of white people throughout the country.

-- The next speaker was [redacted] Baltimore, Maryland, who spoke about the Jew-controlled law enforcement and also about the charges which were brought against Connie Lynch, [redacted] and himself, for starting a riot in Baltimore, Maryland.

The next speaker was Connie Lynch, who is recognized as the NSRP's roving spokesman, who gave a speech which was very critical of Negroes and Jews. He also spoke of the growing white backlash in the country and how white power will eventually overcome black power.

## Right-Wing Unit Opens Meet Here

The right-wing National States Rights party opened its national convention in Jacksonville Saturday urging its members to seek converts to the party and advocate the idea of white supremacy.

Party officials said delegates from 19 states are attending the convention. Some 100 persons met on the third floor of Carpenters Hall on Main Street to hear speakers.

Speakers from Florida, Georgia, Maryland, California, Alabama and Ohio called for support in fighting what was termed a plot to mongrelize the United States by interracial marriages.

### No Comment

There was no public comment about the death of American Nazi party leader George Lincoln Rockwell, who was shot Friday in Arlington, Va.

W. E. Wilson, owner of an automotive shop on West Beaver Street in Jacksonville, who is the Florida chairman of the NSRP, told a newsman, "We didn't share any tears over it," referring to Rockwell's death.

Wilson said while Rockwell's white supremacy policy was akin to the NSRP platform, they had nothing else in common.

### Foreign Assembly

"Rockwell's group was a foreign assembly... for the Germans and Nazis," Wilson said.

J. B. Stoner, introduced as the party's attorney, charged that the "Jews are trying to mongrelize the country." He said they were trying to do this through integration and interracial marriages.

National States Rights Party Chairman Ned Dupes of Nashville, Tenn., was master of ceremonies.

The afternoon session which began at 1 p.m. recessed about 3 p.m. for a banquet, 2:48 in the Labor Union hall. The delegates met again at 7 p.m. in a closed business session.

NATIONAL STATES RIGHTS PARTY  
(NSRP)

The September, 1967, issue, #93, of "The Thunderbolt", self-described as the official white racial organ of the National States Rights Party, a characterization of which appears in the Appendix hereto, has on page one a quotation from Lyndon Johnson, "I Will Take From The Whites And Give To The Negroes". This article concerns the request for a tax hike and its possible effect on the Negro community.

Page two of this issue pertains to mixed marriages, threats by Negroes to white women and possible non-profit segregated white schools being subject to tax.

Page three of this issue contains an article regarding Robert Weaver, associated with the Department of Housing and Urban Development, and methods used in forcing integration in low rent public housing. This same page also contains an article concerning more Negroes being placed in the National Guard units in hopes that the white National Guardsmen will "go easy" on Negro rioters when fellow guardsmen are Negroes. Page three also contains an article, "Conn. Waking Up" in which it is stated that "New Haven, Conn. has received and spent more urban renewal per capita than any other city in America. Yet, they have had very vicious race riots. The Mayor said 'If we are a model city, God save the rest of the cities'". The article continued by stating that Cheshire, Connecticut, is also having race problems due to the fact that the City Board of Aldermen desired to pass a resolution "welcoming additional new white families to our community". The article stated that the city housing population is 15,000, that the city has only 50 Negroes and the townspeople feel that is enough.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Page four for the most part contains a reprint from "The New Patriot", a magazine published at Post Office Box 16097, Jackson, Mississippi, captioned "Svetlana Stalin's Three Jewish Husbands".

Page five contains a reprint captioned "Christ's Words Versus The Jewish Talmud". Page five also contains an article captioned "Iowa Governor Against Whites", in which Governor Harold E. Hughes of Iowa is quoted as saying in the Jet Magazine that Negroes "should be hired first over whites in Iowa and Throughout The Nation". The "Democratic" governor is quoted as having said "Sometimes there is a justification for going beyond equality if a member of a minority group can be trained to become equal with the other person".

Page six contains an editorial which carries a letter in an article captioned "Open Letter To The 'Defender Magazine'", which is signed by Dewey Taft, Post Office Box 3134, Mena, Arkansas. The remainder of the page carries letters forwarded to the "National Observer" regarding the USS Liberty incident.

Page seven carries the "National Observer" editorial of August 21, 1967, regarding this same incident.

Page eight contains National States Rights Party action news. On this page is a group photograph of Joe Carroll, identified as the Maryland Youth Organizer; R. D. Eldridge, National Organizer; Gene Wilson, National States Rights Party Duval County Director; J. B. Stoner, Vice-Chairman; Ned Dupes, National Chairman; Dr. Edward R. Fields, Director and Editor; and Peter L. Xavier, National States Rights Party Treasurer. This page also has an article regarding the National States Rights Party convention held in Jacksonville, Florida, on August 26 and 27, 1967. This article claims that delegates from 21 states attended. This article claims that dynamic talks were given by J. B. Stoner; Allen O. Kern of St. Louis, Missouri; Nueman Britton of St. Bernardino, California; R. D. Eldridge of Dayton, Ohio; Marvis Brown of Knightstown, Indiana, and Andrew J. Stockton of Houston, Texas. The two guest speakers

**NATIONAL STATES RIGHTS PARTY  
(NSRP)**

were identified as Dr. Gabriel Batarseh and Mary Davison, described as the head of the Council for Statehood. Frank Lane of Dover, Florida, was described as the "real surprise speaker of the night", and the article claimed that he had helped organize two new chapters of the National States Rights Party and that this was his first address before any of the National States Rights Party national conventions.

Page eight also had an article captioned "Thunderbolt Circulation", in which it was claimed that during the last three months issues of "The Thunderbolt", #90, #91 and #92, were totally sold out. The article continued by stating that issue #91 was reprinted on a second run and it, too, was sold out.

Page eight also contains an article indicating that Dr. Edward R. Fields, Editor of "The Thunderbolt", will speak to the members in Chicago, Illinois, on October 7, 1967. Dr. Fields is scheduled to speak in St. Louis, Missouri, on October 8, 1967, where Allen O. Kern is in charge of the meeting. Below this article is a request to "Have an NSRP Rally In Your Area". In this article it is suggested that a field on the main road level for cars to park must be found. Written permission must be obtained from the owner of this land for the rally. The National States Rights Party will print the handbills announcing the meeting and will distribute them. The National States Rights Party will also bring in the lights and sound equipment.

Page nine contains 11 photographs of the speakers at the National Convention and group photographs of the attendees.

Page 10 contains an article captioned "FBI Sends 'Bomb' Into Crowded Savannah Office Building". This article alleges that Roy Lynch, 17 years old and a member of two years standing in the Party, had brought a package to the Savannah Office of the Federal Bureau of Investigation where a conversation was had with a Special Agent, during which Lynch was allegedly instructed to take the package to the Postal Inspector at the Savannah Post Office. The

**NATIONAL STATES RIGHTS PARTY

---

article claims that the Savannah Office of the Federal Bureau of Investigation "should have taken charge of the bomb and made arrangements there to have dismantled it". After the package had been opened, it was found to contain a number of National States Rights Party lapel buttons along with a battery and some wires.

Page eleven contains an article captioned "Negro Child Rate Endangers White Survival", in which the article calls for the following laws to be enacted immediately: "(1) The birth rate of Negroes be restricted to one or two offspring per family", "(2) All Negro producers (male and female) of illegitimate children are to be sterilized", "(3) All Negroes who produce children while on aid programs must be sterilized", "(4) All Negro criminals must be sterilized", "(5) All mentally deficient Negroes must be sterilized."

Page twelve lists various books, literature and publications available to the readers through "The Thunderbolt".
